## **the others (2008)**

Theme „the others“ given to search social differences around us led me to a series of dummies from war movies symbolising the „dead“ as the „others“ in the living world.

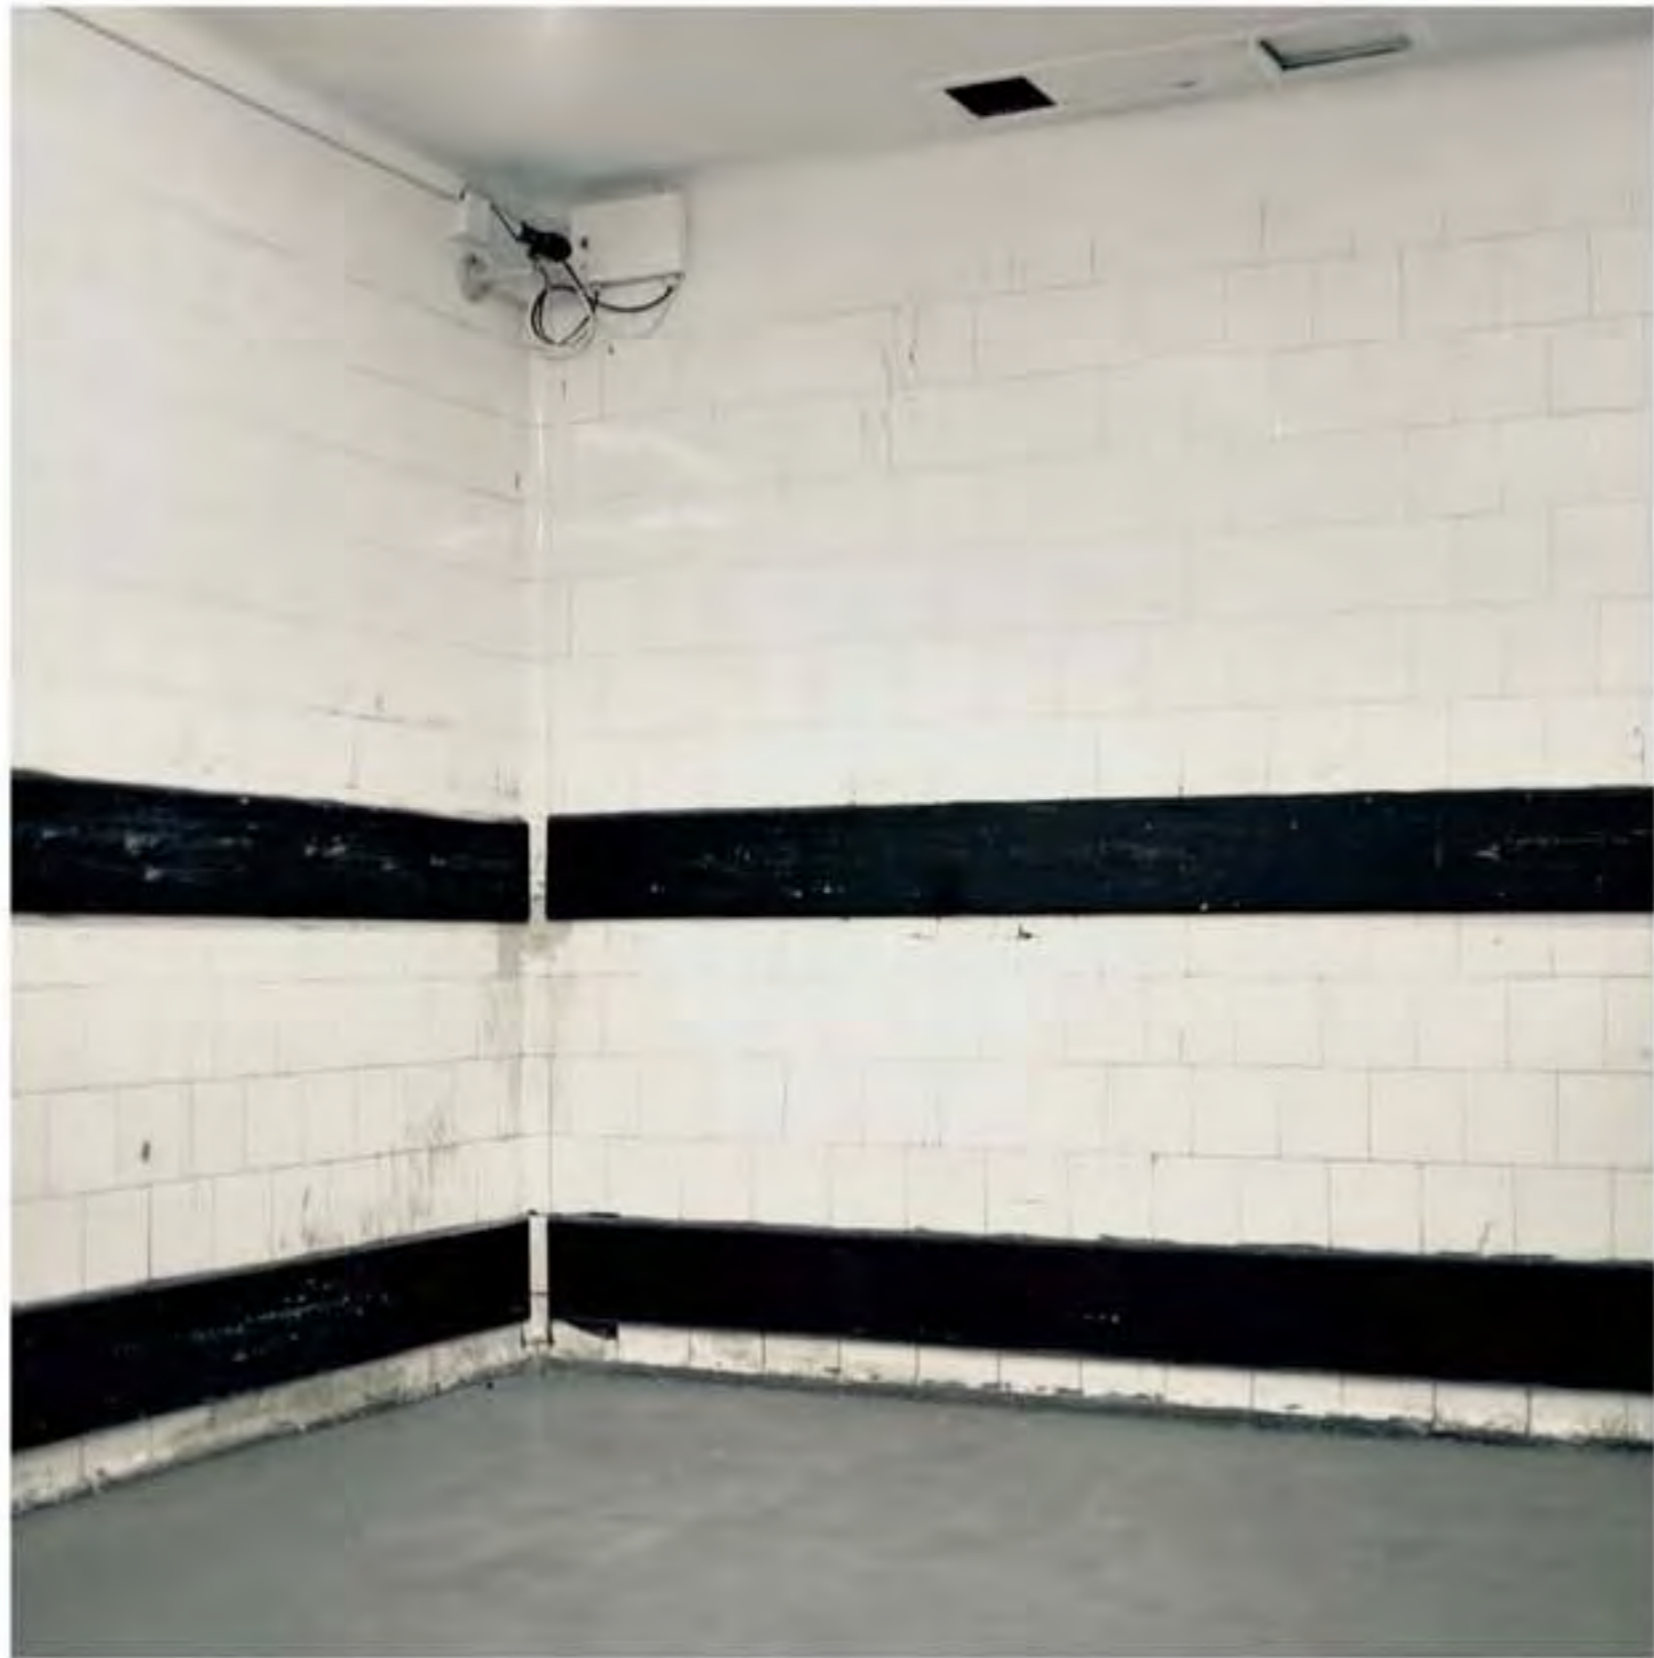

## way out (2009)

Pictures corresponding the theme „death of a human“  
in a time of a family member loss. Show search for feelings  
in a place where people to say goodbye to their loved ones.

## **ONGOING PROJECTS (2010)**

## **Barrandov film studios, Prague (2010)**

Documenting most famous czech Barrandov film studios which still live on their good name made in history, when good czech films were made. Trying to capture the atmosphere which still survived in the place that is slowly dieing out.

## Neighbourhood (2010)

Going back to places that I have lived at or that have been important in my life considered in a non-emotional matter.

By putting these images mostly of buildings i create a completely new city or neighbourhood.

## **Nearly home (2010)**

Photographic book.  
Exploring hotels as contemporary homes.
